Lower Moreland Township School District

Electronic Communication Agreement

Communication has become increasingly easier between teachers, coaches and athletes due to the fact that most students carry cell phones with the ability to text. To ease communications with a class or team members, our teachers/coaches/sponsors would like to have the opportunity to text pertinent information – class information, changes in practice, game time, team pictures, uniform changes, etc. Signing this agreement will grant LMTSD Teachers/Coaches/sponsors permission to call or text important information to your student at the number you provide on this form. Any inappropriate communication by a teacher/coach/sponsor shall be reported to the Superintendent of Schools.

I, _____, agree that a teacher/coach/sponsor may contact my
